

2022 GLOBAL HEALTH LEADERSHIP ACCELERATOR

The Bill & Melinda Gates Institute is proud to present the 2022 Global Health Leadership Accelerator Course. Participation in the Global Health Leadership Accelerator allows young leaders to ensure the locally and regionally informed development and support of advocacy and accountability goals. Gates Institute is happy to provide the opportunity for 120 Under 40 winners to attend the Global Health Leadership Accelerator to further improve their leadership and organizational effectiveness skills.

ABOUT THE 2022 GLOBAL HEALTH LEADERSHIP ACCELERATOR

The 2022 Global Health Leadership Accelerator will be a hybrid course, with the first half of the course occurring virtually, October 24-28, 2022, and the second half occurring in-person in Pattaya City, Thailand, November 7-11, 2022. Participants must commit to participate in the full course.

VIRTUAL

The virtual portion of the Global Health Leadership Accelerator will require 4 hours per day of live session participation, with an additional 3 hours to participate in a one-time session work group.

IN-PERSON

The in-person portion of the 2022 Global Health Leadership Accelerator, which will be held in Pattaya City, Thailand November 7-11, 2022, prior to the International Conference for Family Planning (ICFP). Limited funding to attend the Global Health Leadership Accelerator, Youth Pre-Conference (November 12-13), and ICFP (November 14-17) will be offered for eligible youth.

ELIGIBILITY

To be eligible for the 2022 Global Health Leadership Accelerator, applicants:

- Must be a 120 under 40 leader
- Can not have already participated in a Global Health Leadership Accelerator course
