2022 GLOBAL HEALTH LEADERSHIP ACCELERATOR: Training of Trainers

The Bill & Melinda Gates Institute is proud to present the 2022 Global Health Leadership Accelerator: Training of Trainers. Participation in the training will allow youth participants who have already participated in a Global Health Leadership Accelerator course to learn to become certified trainers to bring this opportunity to their respective regions of the world. Trainees learn how to effectively deliver course content and skills to other youth. Trainees will also support the delivery of the 2022 Global Health Leadership Accelerator in Pattaya City, Thailand.

ABOUT THE 2022 GLOBAL HEALTH LEADERSHIP ACCELERATOR: Training of Trainers

The 2022 Global Health Leadership Accelerator: Training of Trainers will be a hybrid course, with the initial training occurring virtually, October 3-6, 2022, and the second half occurring in person in Pattaya City, Thailand, November 7-11, 2022. Participants must commit to participate in the full training.

VIRTUAL

The virtual portion of the Global Health Leadership Accelerator: Training of Trainers will require 4 hours per day of live session participation.

IN-PERSON

Trainers will also support the in-person delivery of the 2022 Global Health Leadership Accelerator, which will be held in Pattaya City, Thailand November 7-11, 2022, prior to the International Conference for Family Planning (ICFP). Trainers will practice the skills developed in their training sessions with course participants. Limited funding to attend the 2022 Global Health Leadership Accelerator in-person portion will be offered for eligible youth.
